

Lay-out Guide and Suggested Colors

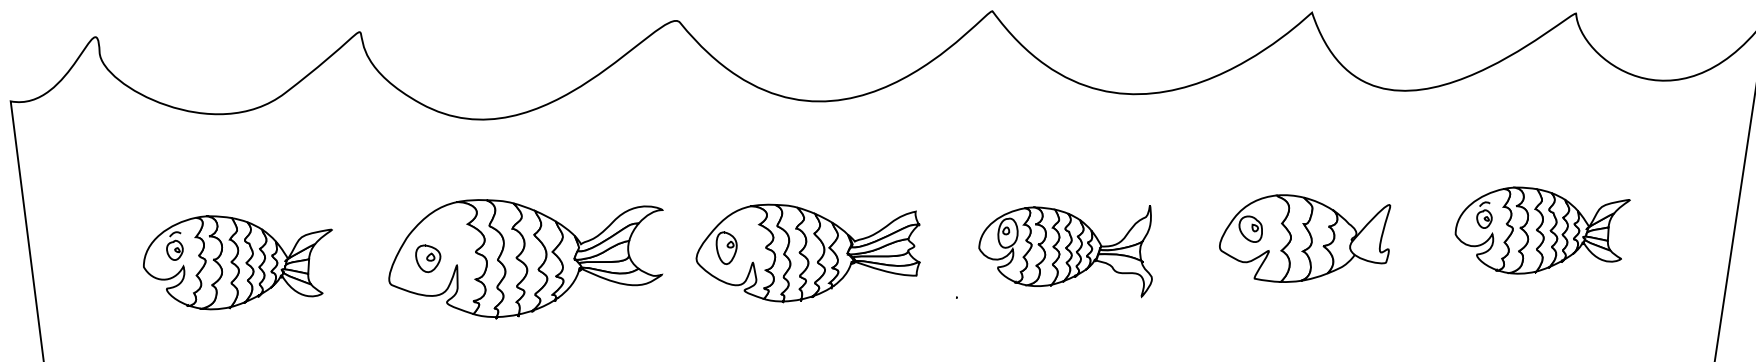

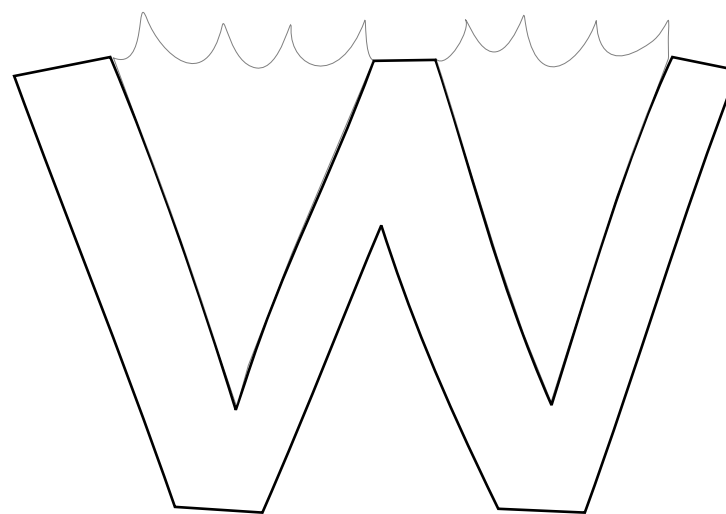

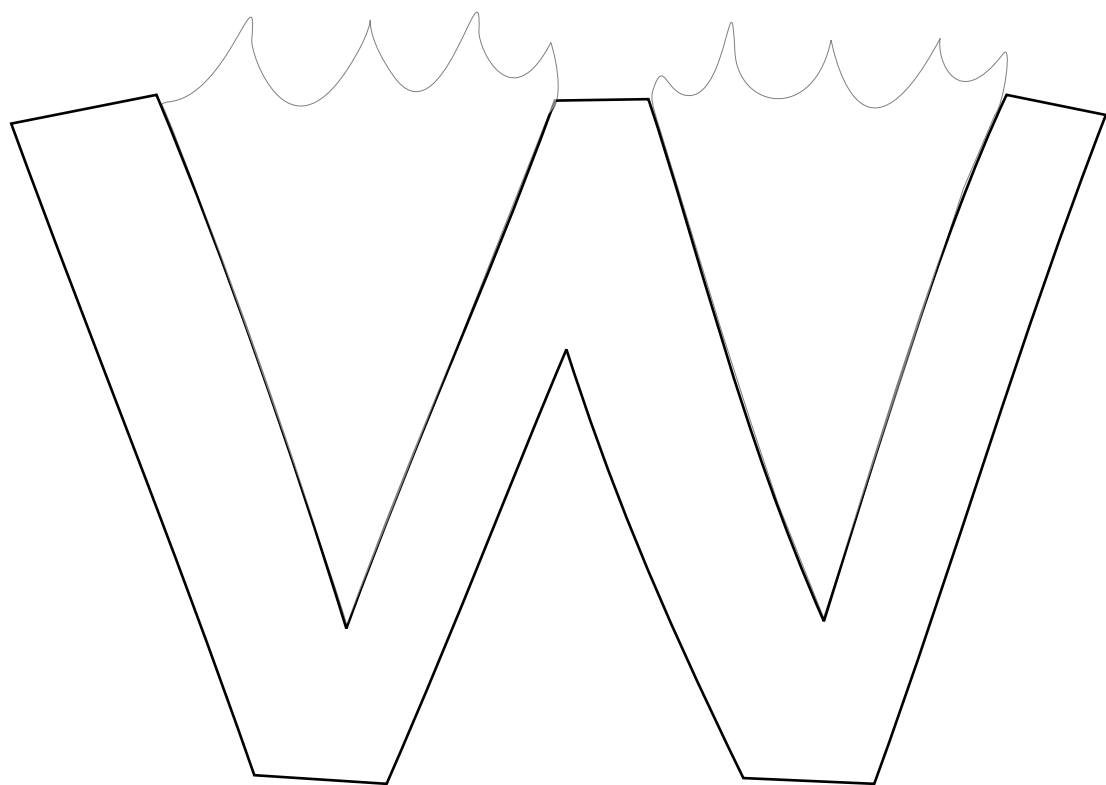

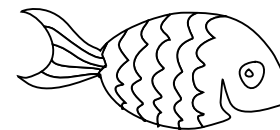

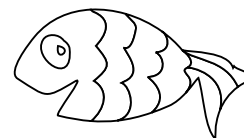

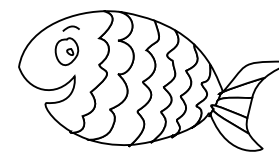

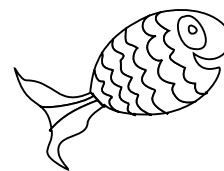

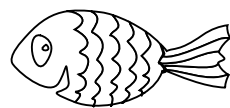

Capital U cut-out craft

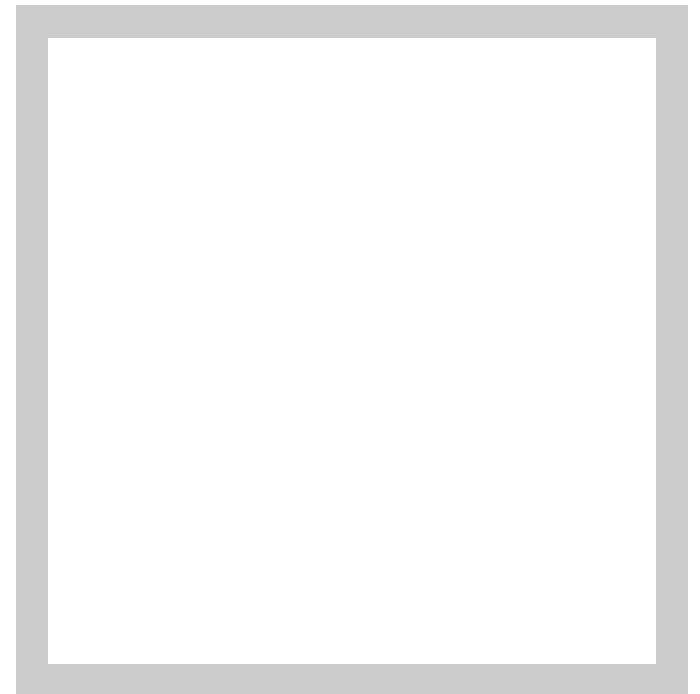

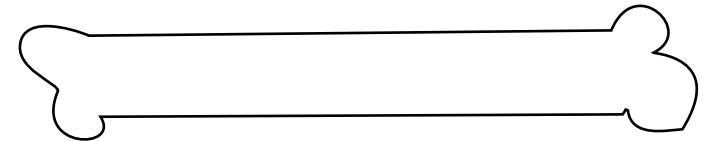

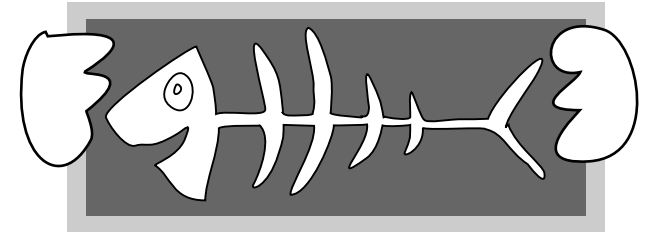

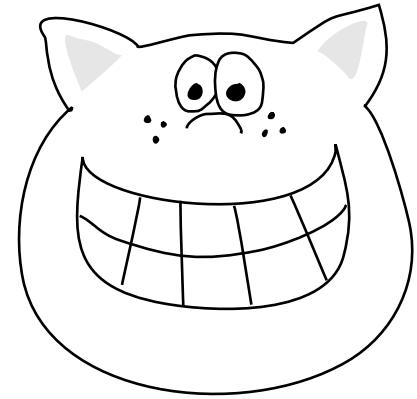

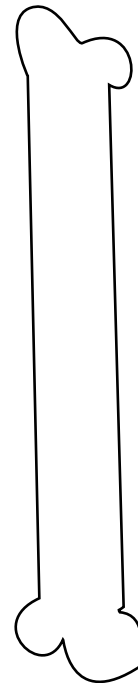

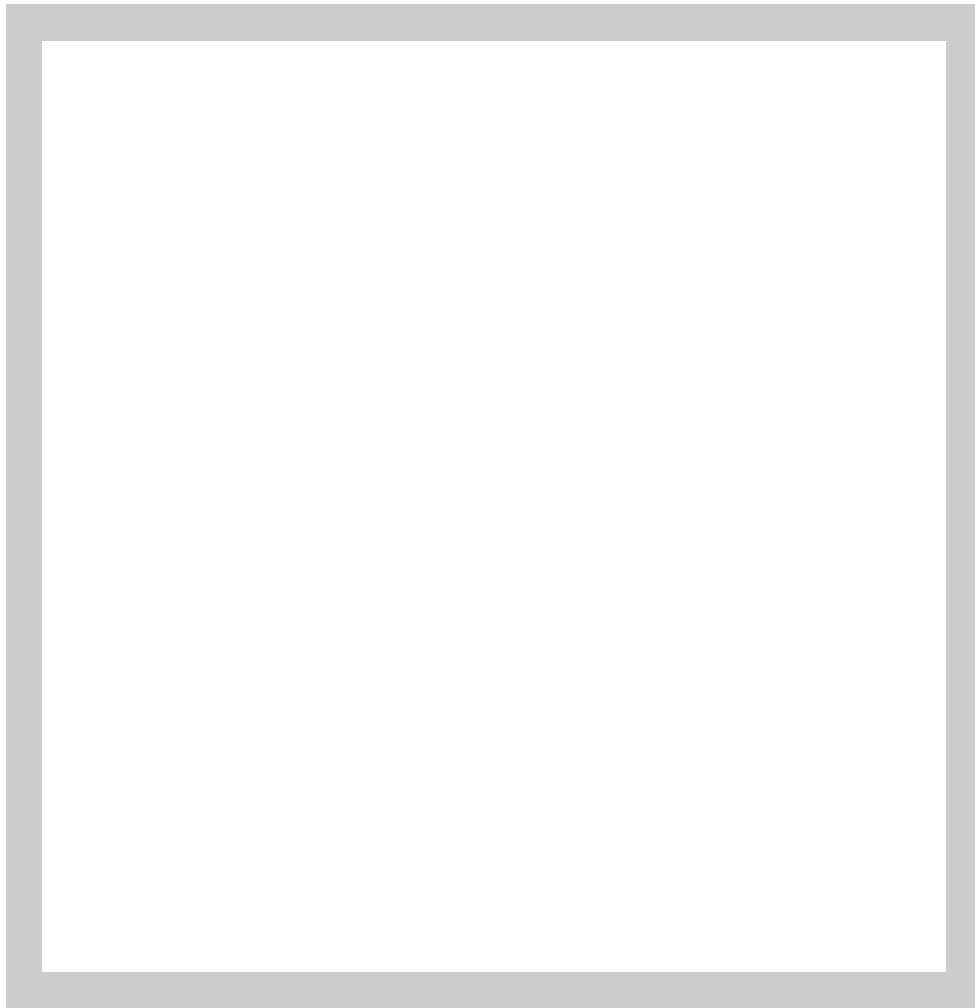

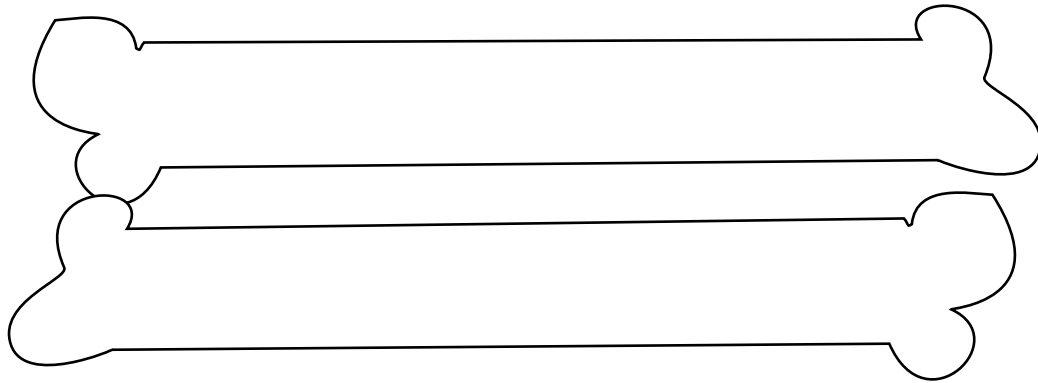

Capital V cut-out craft

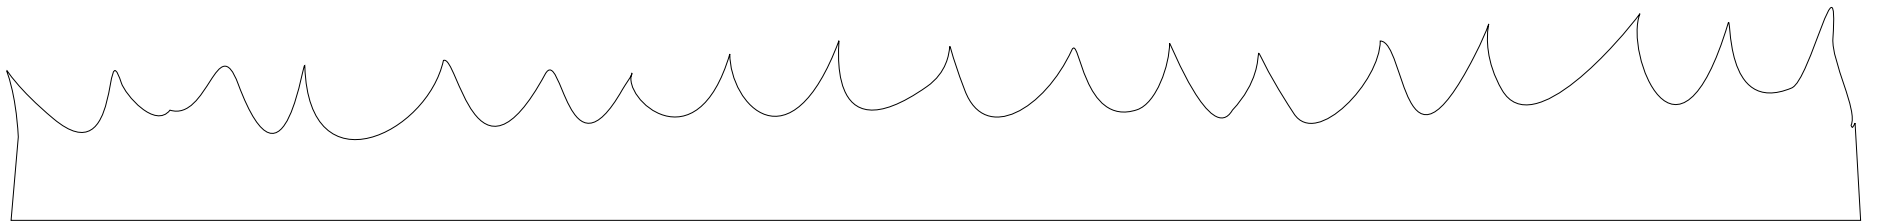

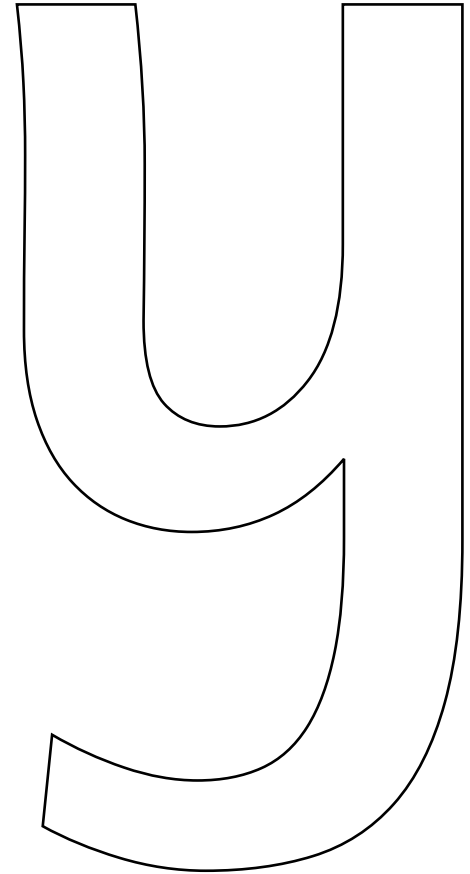

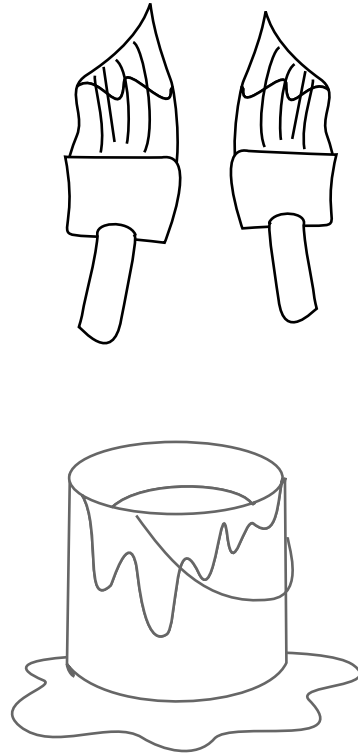

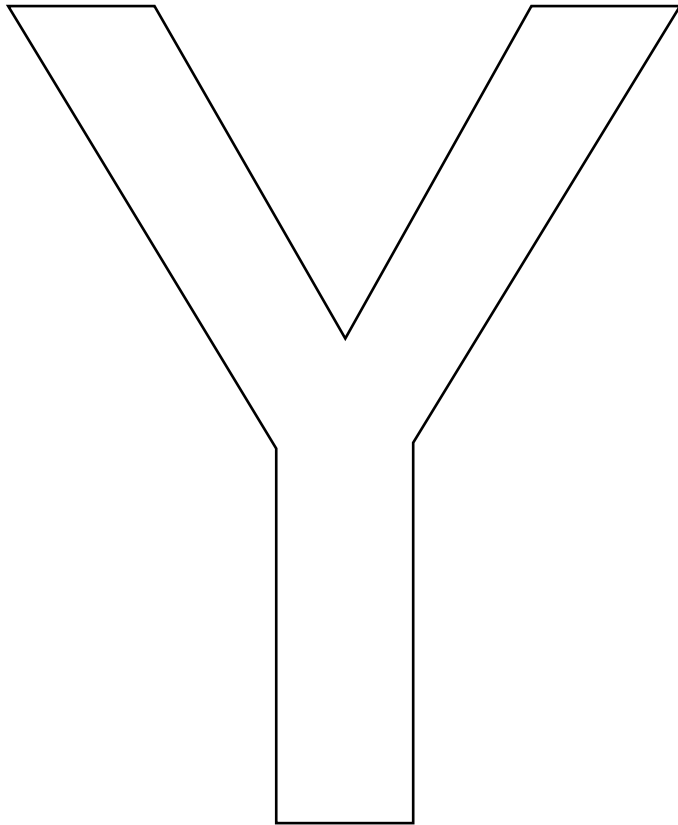

Capital W cut-out craft

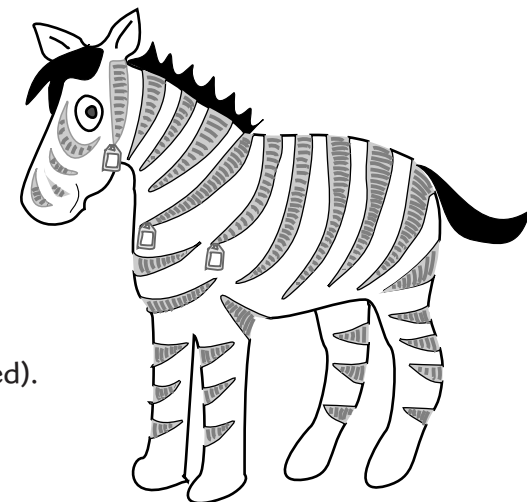

Capital X cut-out craft

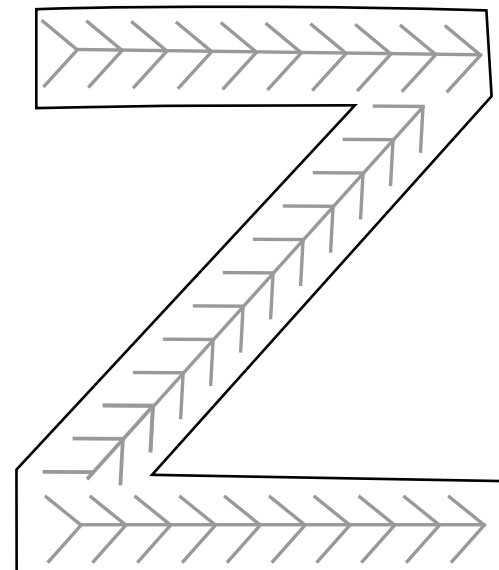

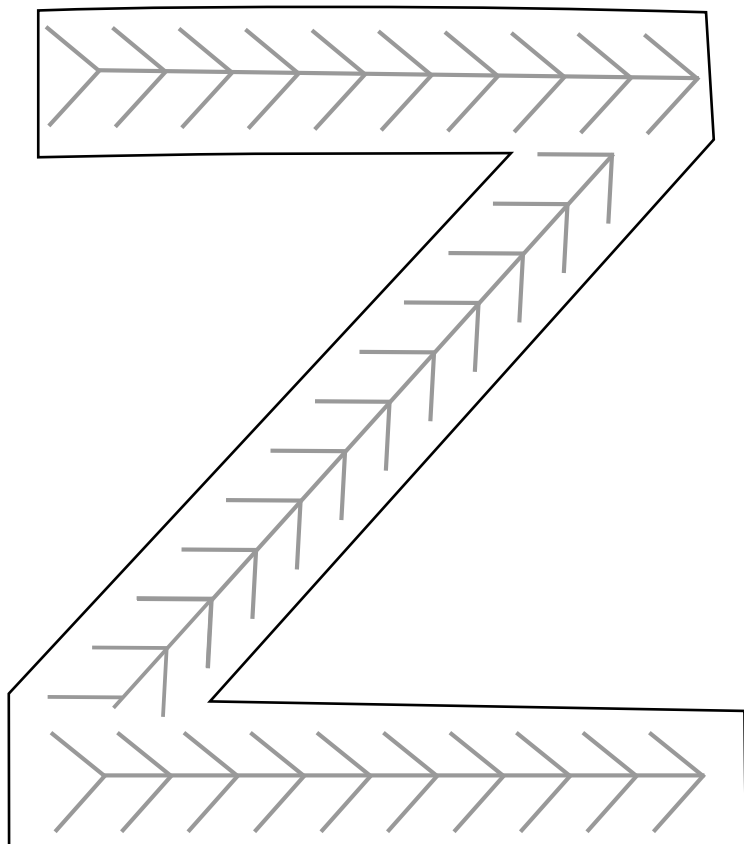

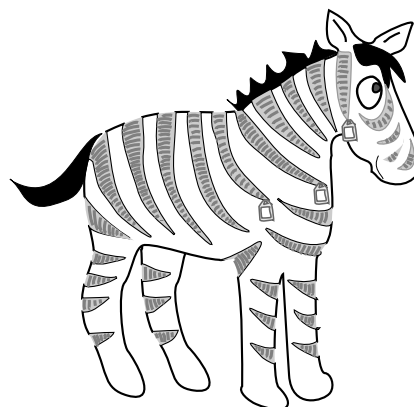

Capital Y cut-out craft

# Capital Z cut-out craft

Because the “zippered zebras” were so complicated to color, I left them as-is (already colored).

(this rectangle was meant to be colored green for the grass, but you can create the grass any way you like)
